ACRES OF FUN, INC agrees to exercise due diligence and reasonable care and to keep our kennel premises sanitary and properly enclosed. The pet is to be fed properly and regularly and to be housed in clean, safe quarters.

All pets are boarded or trained, or otherwise handled or cared for by us without liability on our part for loss or damage from disease, death, running away, theft, fire, injury to persons, other pets, or property by said pet, or other unavoidable causes, due to diligence and reasonable care having been exercised.

The pet is not to be taken off the premises except with the consent of the owner or in accordance with the following: If the pet becomes seriously ill, the owner shall be notified at once, if possible. If the owner does not advise us immediately regarding measures to be taken, or if the state of the pet's health reasonably demands quick action, we shall have the right to call a veterinarian, of our choice, or administer medicine or give other advisable attention, within our discretion and judgement. Such expenses shall be paid by the owner of the pet.

The owner acknowledges that dogs that are kenneled together are from the same household. Owner assumes all responsibility for any aggressive behavior, fighting or injury that one dog may inflict upon another while they are together. Acres of Fun Inc. reserves the right to separate any dogs who are boarding together at our discretion for the dogs' own safety. If your dogs are not compatible boarding in the same kennel unit, you will be responsible for the cost of more than one kennel. This includes dogs that do not eat compatibly together.

The owner represents that said pet is in good health and that all vaccinations which include the DHLPP, RABIES and BORDETELLA are current. INFLUENZA – This vaccination is not a requirement; however, we highly recommend all dogs that board receive this vaccination. To ensure a flea-free environment for all pets, each guest is administered a Capstar upon arrival, which is an oral medication that eliminates fleas. Capstar is a pill that when ingested, kills fleas within 30 minutes. It is not a preventative against fleas, it only kills the fleas that could currently be on your dog/cat. It does not interfere with any current monthly preventative you administer to your dog/cat, nor will it cause any complications with any medication your dog/cat is currently taking. \$9.00.

CANCELLATION POLICY: To cancel a reservation, notice must be given to the kennel during business hours, not less than 48 hours prior to boarding. Any less notice will result in a two-night charge.

EARLY PICK-UP POLICY: Pets picked up before the scheduled reserved pick-up date, without 48 hours advanced notice will be charged a maximum of two extra nights from the day of actual pick-up.

- There are additional fees for pets picked up outside of normal business hours.
- The kennel will not be held responsible for items left with pets such as toys, bones, etc.

It is understood that this agreement binds both parties for all pets boarded after the date of this agreement.
